(Address)

Dear Customer:

Network US, Inc. d/b/a CA Affinity ("NUS") and Motion Telecom, Inc. ("Motion") have entered into an agreement whereby the telecommunications assets of Motion will be acquired by NUS, and NUS will become your telecommunication service provider. NUS anticipates becoming your telecommunications provider on or before [].

This change in ownership will not affect or in any way disrupt your current service. **The rates and terms and conditions of the services offered by NUS will be the same as those offered by Motion.** A copy of NUS's terms and conditions for long distance services is attached hereto along with your billed rate plan. No charges or fees will be imposed and no rate increase will occur as a result of this transaction. NUS will inform you, by bill insert, of any post-transaction changes which may occur. You will receive a thirty (30) day written notice of any rate increase implemented within ninety (90) days from the date of the transfer.

You have a choice of carriers. If you do not wish to remain a customer, you may change carriers and such change will be at NUS's expense. NUS will make every effort to resolve outstanding Motion customer complaints. The toll free Customer Service number will remain the same and if you have any questions, please call one of our Customer Service Representatives at 1-800-964-3863.

All customers receiving this notice, including those who have arranged preferred carrier freezes through their local service providers, will be transferred to NUS. To arrange a new preferred carrier freeze, please contact your local service provider.

We at Network US, Inc. are pleased to welcome you to our team and would like to express our appreciation for allowing us the opportunity of being your telecommunication service provider. We are confident that you will be pleased with the high quality of our service.
